2                                   **DISTRICT OF NEVADA**

3                                   Case No.: 3:21-cv-00418-ART-CSD

4                   JEREMY R. POWELL,

5                   Plaintiff

6                   v.

7                   CITY OF ELKO, et al.,

**Order**

Re: ECF Nos. 88, 99, 100, 101

9           Before the court are Plaintiff's motion to extend the discovery deadline by 180 days  
10 (ECF No. 88), as well as Plaintiff's motions to extend the deadline to file responses to the  
11 pending dispositive motions (ECF Nos. 99, 100, 101).

12           The scheduling order in this matter was issued on June 9, 2022, and set the discovery  
13 completion deadline as December 6, 2022. (ECF No. 24.) Ortiz and Pepper stipulated to the  
14 requested extension. However, the court has not received any position on the extension from the  
15 remaining defendants. The court finds that neither Plaintiff nor Ortiz and Pepper have set forth  
16 good cause for a *180-day* extension; however, the court is cognizant that District Judge Traum  
17 recently ordered that Plaintiff be given an opportunity to review all discovery to date until  
18 February 28, 2022. Therefore, the court will **GRANT IN PART** Plaintiff's motion (ECF No.  
19 88), insofar as the court will give the parties an extension of the discovery completion up to and  
20 including **March 28, 2023**, which is a 112-day extension from the original discovery completion  
21 deadline. If Plaintiff intends to bring his own dispositive motion, it must also be filed by **March**  
22 **28, 2023**.

1 The court will likewise **GRANT** Plaintiff's motions for an extension of time to file his  
2 responses to the pending dispositive motions (ECF Nos. 99, 100, 101). Plaintiff has up to and  
3 including **April 28, 2023** to file his responses. Defendants' reply briefs will be due on or before  
4 **May 5, 2023**.

5 **IT IS SO ORDERED.**

6 Dated: January 11, 2023
